## Finished Size

approx. 3.5 inches tall

## Crochet Techniques Needed

- Adjustable ring
- Increasing and decreasing
- Single crochet
- GAUGE- none in particular, just be sure that you crochet tight enough that the stuffing will not come out, and that the doll feels sturdy.

## About the Pattern

- The huevitos are crocheted in continuous spirals without joining the rounds. You will need a stitch marker to keep track of where the beginning of each round starts; move the marker up to the first stitch of the next round after finishing the previous one.
- When you are changing yarn color, begin the sc with the first color. After the yarn over grab the second color with the hook and bring it through both loops on the hook to complete the stitch, thus allowing the next stitch to be entirely the second color.

## Abbreviations

ch-	Chain
dec-	Decrease
inc-	Increase
rnd-	Round
rep-	Repeat
sc-	Single Crochet
sc2tog-	Single Crochet 2 together (a decreasing st)
sl st-	Slip Stitch
st(s)-	Stitch(es)
[ ]-	Sets apart a group of stitches to be repeated as a whole.

- Also when you look at the pictures and use them as reference, I just want to let you know that I am left handed and so the direction in which the rounds are going, and the way the hook is positioned is opposite for those of you that are right handed.

## Egg

- Reminder- do not join the rounds crocheting will be in a continuous spiral, the rounds will increase in increments of 5 and decrease in increments of 4.

- Round 1      Make an adjustable ring and work 5sc in the ring, do not join, using the stitch marker to mark the first stitch of the next round ---- 5sts.
- Round 2      [2 sc in each st] 5 times ----10 sts.
- Round 3      [sc in next st, 2 sc in next st] 5 times ----15 sts.
- Round 4      [sc in next 2 sts, 2 sc in next st] 5 times ---- 20 sts.
- Round 5      [sc in next 3 sts, 2 sc in next st] 5 times ---- 25 sts.
- Round 6      [sc in next 4 sts, 2 sc in next st] 5 times ---- 30 sts.
- Round 7      [sc in next 5 sts, 2 sc in next st] 5 times ---- 35 sts.
- Round 8      [sc in next 6 sts, 2 sc in next st] 5 times ---- 40 sts.
- Rnds 9-14    sc in each st around ---- 40 sts. If you're going to use the craft eyes, it's a good idea to put them in now, I put the eyes 9 sts apart, in Round 10.
- Round 15     [sc in next 8 sts, sc2tog] 4 times ---- 36 sts.
- Round 16     [sc in next 7 sts, sc2tog] 4 times ---- 32 sts.
- Round 17     [sc in next 6 sts, sc2tog] 4 times ---- 28 sts.
- Round 18     [sc in next 5 sts, sc2tog] 4 times ---- 24 sts.
- Round 19     [sc in next 4 sts, sc2tog] 4 times ---- 20 sts.
- Round 20     [sc in next 3 sts, sc2tog] 4 times ---- 16 sts.
- Round 21     [sc in next 2 sts, sc2tog] 4 times ---- 12 sts. Tightly, stuff the head with poly-fill/wool.
- Round 22     [sc in next st, sc2tog] 4 times ---- 8 sts.
- Round 23     [sc in next 2 sts, sc2tog] 2 times ---- 6 sts.
- Using the yarn and a yarn needle close up the hole by stitching back and forth across the opening. It may be popped up like a little nipple, but when you weave the yarn in just pull to flatten it down.

## Final notes

- Embroider the mouth onto the face with a fly stitch as well, then weave in any remaining floss.
- I used Malabrigo worsted for the yellow, Cascade 220 for the pink & Louet Gems for the blue.
